Online Shopping

Does your pet take medication or eat a special diet?

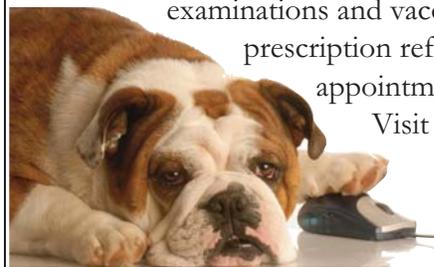

Now ordering your pet's food or medicine is simply a click away. It's fast, easy and secure. We will feature certain products. You order the product and it is delivered to your door.

To shop online, simply visit our website at www.rrahospital.com. Sign into your Pet Portal. If you haven't created a Pet Portal, visit our website to create your account.

Pet Portal

Staying connected is just a click away with our Pet Portal. The Pet Portal brings you a host of benefits. Once you sign up, you can: stay current on your pet's health schedule, receive reminders about future examinations and vaccinations, request prescription refills, and make appointments.

Visit our website today to create your Pet Portal.

Digital X-rays for healthier patients

We are going digital with our X-rays. Why? To provide the best in patient care. Digital X-rays provide better clarity making X-rays an even better diagnostic tool. There is also a faster turnaround so we can get information more quickly.

Introducing our Customer Satisfaction Survey

After your next visit, we'll send you a survey by email. We are continually striving to improve our services and appreciate your feedback.

We're upgrading our reference lab And, what does that mean for you?

When we do blood tests or chemistry profiles, we send it to a reference lab for results. We are using a new reference lab that specializes in veterinary medicine to provide you cutting-edge technologies to receive the most comprehensive and accurate information on your pet's tests.

Visit us on FaceBook

We update our FaceBook page almost daily. Find out what's happening with RRAH and keep in touch.

CareCredit for your convenience

We are pleased to announce that we now offer CareCredit to give you another financial option to cover everything from wellness exams to unexpected emergencies.

In addition to using the CareCredit for your pet, you can also use it at other healthcare practices that accept it, such as your dentist.

It's fast to apply. We can process your application during your next visit and you can begin using the program immediately.
